

TOUCHWOOD ACCOYA CLADDING

Highly versatile wooden cladding. Unparalleled performance.

Touchwood Accoya Cladding sets the benchmark in wood for performance, finish and sustainability.

- **Maintains original form and shape**

Thanks to Touchwood Accoya Cladding's stability, you'll spend less time achieving a quality finish and encountering problems at installation and in service.

- **Opportunities for adding value**

You can offer your clients a wide choice of coatings for different looks and enhanced performance thanks to Touchwood Accoya Cladding's superior stability. This stability ensures black coatings are very compatible with Touchwood Accoya Cladding.

- **Highly durable**

Stands the test of time, whatever the weather or climate

- **Sustainably sourced**

FSC certified and Cradle to Cradle certified Gold, Touchwood Accoya Cladding is safe for you and the planet
